# Chair's Message

**This is a very momentous year for SANOG. It's the 10 years of SANOG celebration since it started on cold morning in Kathmandu, Nepal in January 2003. Over time, we have gone to six countries in the region, had hundreds of speakers from all over the world, and thousands of network engineers have gone through the workshop and training.**

**Gaurab Raj Upadhaya  
Chair, SANOG**

# 10 years @ glance

- **SANOG was setup as a smaller version of APRICOT back in 2003 January (22-28), Kathmandu, Nepal**
  - **Workshops, tutorials, Conference**
  - **Close co-operation with APNIC**
  - **Co-operation with most of APRICOT instructors**
- **Main aim was to foster people networking and operational best practices in the region**
- **Get engineering folks to talk tech and provide them a forum**
- **A platform to allow engineers from service providers, Telcos, etc, to exchange technical info and knowledge**
