IPv6 Technical SIG@APNIC 18, Fiji

31 August – 3 September, 2004

Method

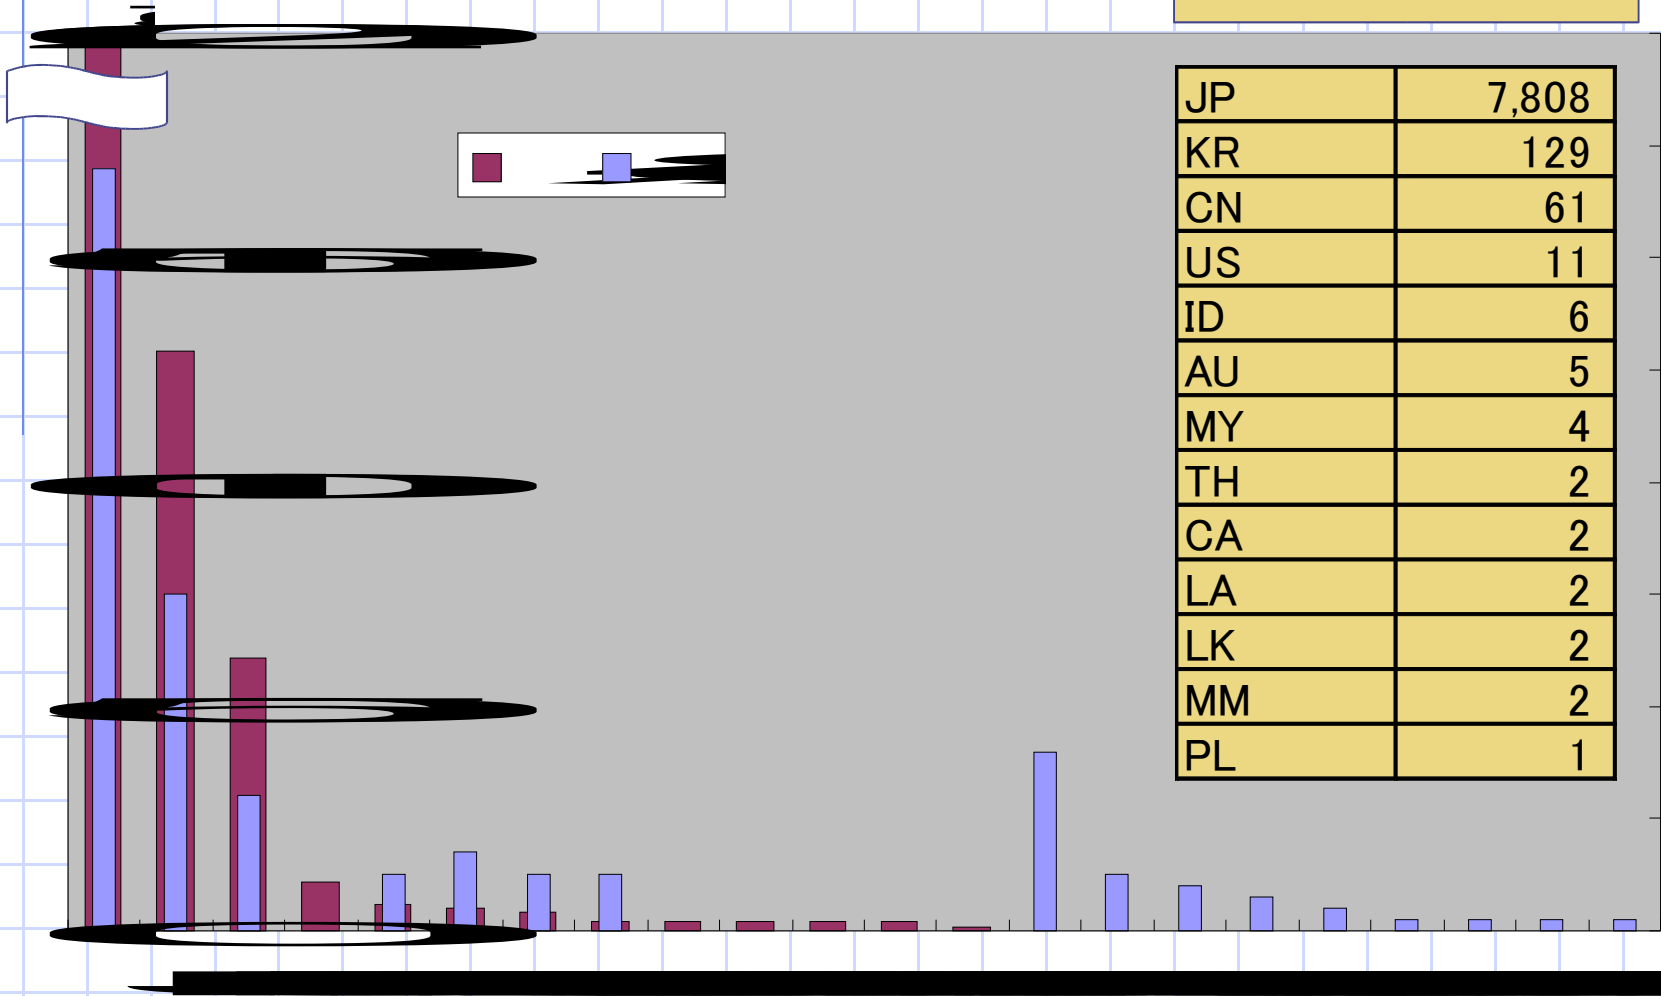

- ◆ Stats based on APNIC whois database
- ◆ “Assignments” per country in terms of /48s

Results

As of August 3rd, 2004

Total: 8,035 x /48

Points

- ◆ Only 8,035 assignments in APNIC region?

LIR's subsequent allocation needs *at least* 7,132 * /48 registrations...

- ◆ Or, LIRs are not registering /48s to APNIC whois database?

If so, please register your assignments into whois database!

Thanks!
