Participation to the International Technical coordination fora

- Three (3) representatives to the NRO NC (also acting ICANN ASO AC). The two elected in Maputo plus Alan P. Barrett appointed by AfrinIC board.
- AfrinIC has Joined the NRO as full member and participates in all its activities:
 - MOU signed in April 2005
- participate in the WSIS (WGIG) discussions through the NRO,
 - Participated to Prepcom in Africa (Accra, Cairo and Dakar) to present RIR activities and AfrinIC and input to discussions on IG issues.
- Contributing to the African common position for the WSIS.

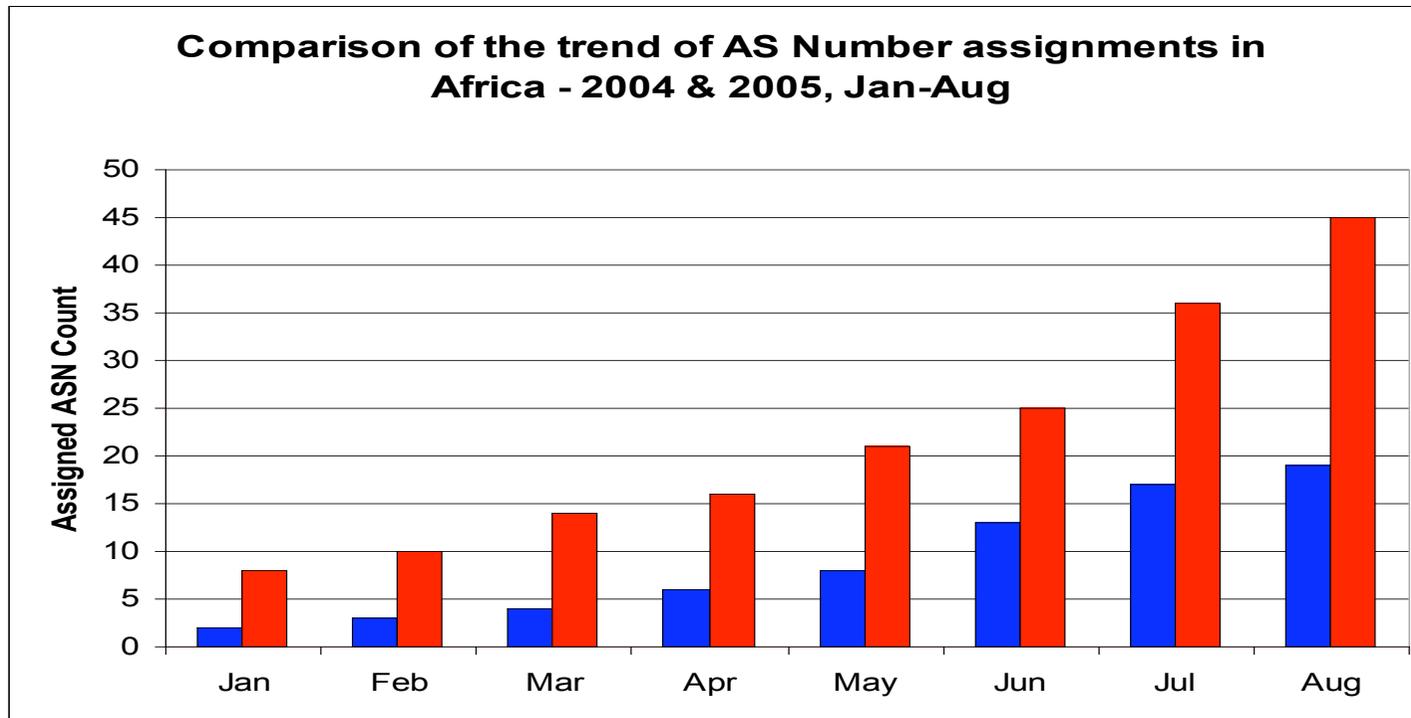

Membership growth 2005

2005 vs 2004

2005 vs 2004 (cont'd)

Policies under discussion

- Temporary Assignments & assignments for critical establishments (like IXPs)
- Direct/PI Assignments from AfrinIC to end-user organisations
- Criteria for assignment of AS numbers.
- Global policy for IPv6 Allocation from IANA to RIRs.
 - *Status: Currently under discussion on the mailing lists (policy-wg@afriNIC.net)*
 - *Will be presented again at AfrinIC-3 for concensus from the community.*
