

**SANOG**

APNIC 24 / SANOG 10  
Open Policy Meeting

Sponsorship invitation

## Connect with world Internet leaders and local businesses at the APNIC 24/SANOG 10

We are pleased to invite you to support our exciting joint event:

The Asia Pacific Network Information Centre  
24th open policy meeting and the  
10th South Asian Network Operators Group meeting

New Delhi, India  
Intercontinental - The Grand New Delhi Hotel  
Wednesday 29 August to Friday 7 September 2007

### Overview

**APNIC** ([www.apnic.net](http://www.apnic.net)) is one of five Regional Internet Registries currently operating in the world. We provide allocation and registration services that support the operation of the Internet globally. We are a not-for-profit, membership-based organisation. Our members include Internet Service Providers, National Internet Registries, and similar organisations. The APNIC Open Policy meeting is a major developmental forum, focusing on technical, policy and infrastructure management.

**SANOG** ([www.sanog.org](http://www.sanog.org)) is a regional forum to discuss operational issues and technologies of interest to data operators in the South Asia region. This joint meeting provides a unique opportunity for the Asia Pacific Internet industry to meet and discuss important operational issues.

The APNIC 24/SANOG 10 meeting program consists of workshops, tutorials, technical and policy discussions, and the APNIC member meeting.

## Audience

---

This meeting is marketed to the APNIC memberships (comprising more than 1000 major ISPs across 56 economies) and members of the broader technical and policy community in the Asia Pacific region. Approximately 300-400 participants are expected to attend, including key Internet industry figures (speakers and tutors), and ISP business and technical representatives.

## Past sponsors

---

In the past, this event has been supported by a range of regional and international organisations.

- Afilias Global Registry Services
- Asia Pacific Telecom Group
- Cisco Systems
- France Telecom
- Juniper
- Neustar
- Nominum
- NTT Communications
- Price Waterhouse Coopers
- Yahoo!

## Sponsor benefits

---

As a sponsor, you will have a valuable opportunity to expose your organisation, products, and services to an international audience of Internet leaders. This exposure is in the context of a respected, well-recognised, and highly credible forum.

You will have the unique opportunity to meet face-to-face with current and potential clients. These clients range from local Indian businesses, or businesses from neighbouring economies, through to multinational organisations.

There are a number of sponsorship opportunities available, which can be tailored to meet your individual requirements.

For more information, please contact [sponsorships@apnic.net](mailto:sponsorships@apnic.net).
