Do you remember?

- a lot of comment post to sig-policy ML from Izumi-san

Subject: Re: [sig-policy] Inter-registry transfers (was:thoughts on prop-068)

Subject: Re: [sig-policy] general opinions about the transfer proposal(s)

Subject: Re: [sig-policy] Requests from routing/packeting concerns

**There are opinion, concern and
comments from
Japanese Community!!
How can we post a lot of opinion?
Result get could by our challenges.**

Motivation

- When transfer proposal posted
 - We think this proposal
 - provide very important changes to history of IP management.
 - had serious effect on Japanese Community.

We must post opinion and comment.
We propose other perspective if necessary.

Our Challenges

- We(JPNIC and Policy-WG) want comment and opinion from JP-Community for transfer proposal more and more.
- Discussed for solve this issue.
 - “How can we provide information for transfer proposal to community?”
 - “What kind of method for get comment from community we have?”

We want held two events done before next APOPM.

JPOPM Showcase 2

Date: 21st January 2009

the day before JANOG23 Meeting

same place as JANOG23 Meeting
about 50 peoples

JPOPM Showcase 2

- activity for
 - outreach to stakeholders
 - introduce policy development process
 - discussion for specific topic
 - transfer proposal discussion by operator perspective.

Special JPOPM

Date: 10th February 2009

Place: Tokyo, Japan

about 60 peoples(onsite) and many people attend by online(streaming and chat).

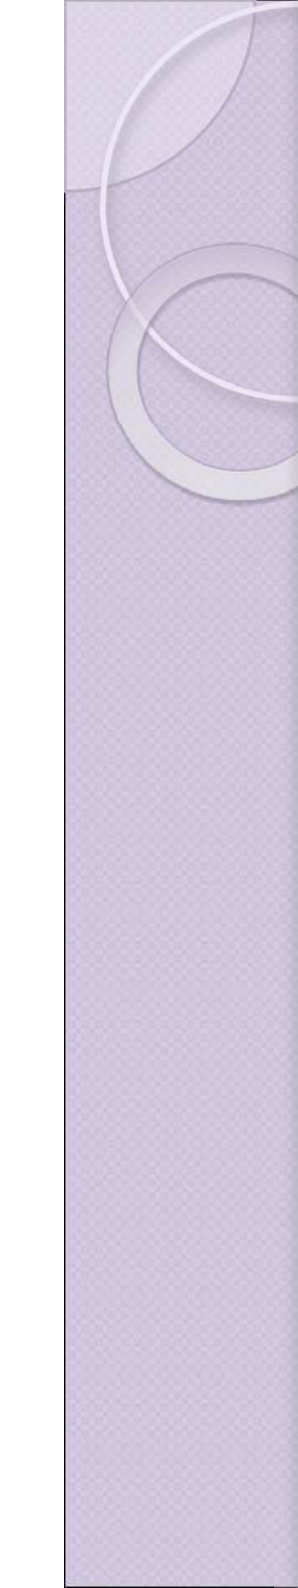

Special JPOPM

- provide information about proposal document what propose to next APOPM.
 - get comment and concern
 - for 30 minutes.
- collect opinion for transfer proposal
 - opinion for each proposal
 - [prop-050] IPv4 address transfers
 - [prop-067] A simple transfer proposal
 - [prop-068] Inter-RIR transfer policy
 - for 3 hours(take two breaks)

Result

- We got a lot of opinion and comments from JP-Community.
 - Izumi-san can translate and post to sig-policy ML.
- Some comment to our opinion from sig-policy then feedback to ML in Japanese.
 - discussion continues now
- We can bring comments to meeting(Policy-SIG)
 - see you policy-sig on tomorrow :-)

Thank You
