Some Core activities Stats

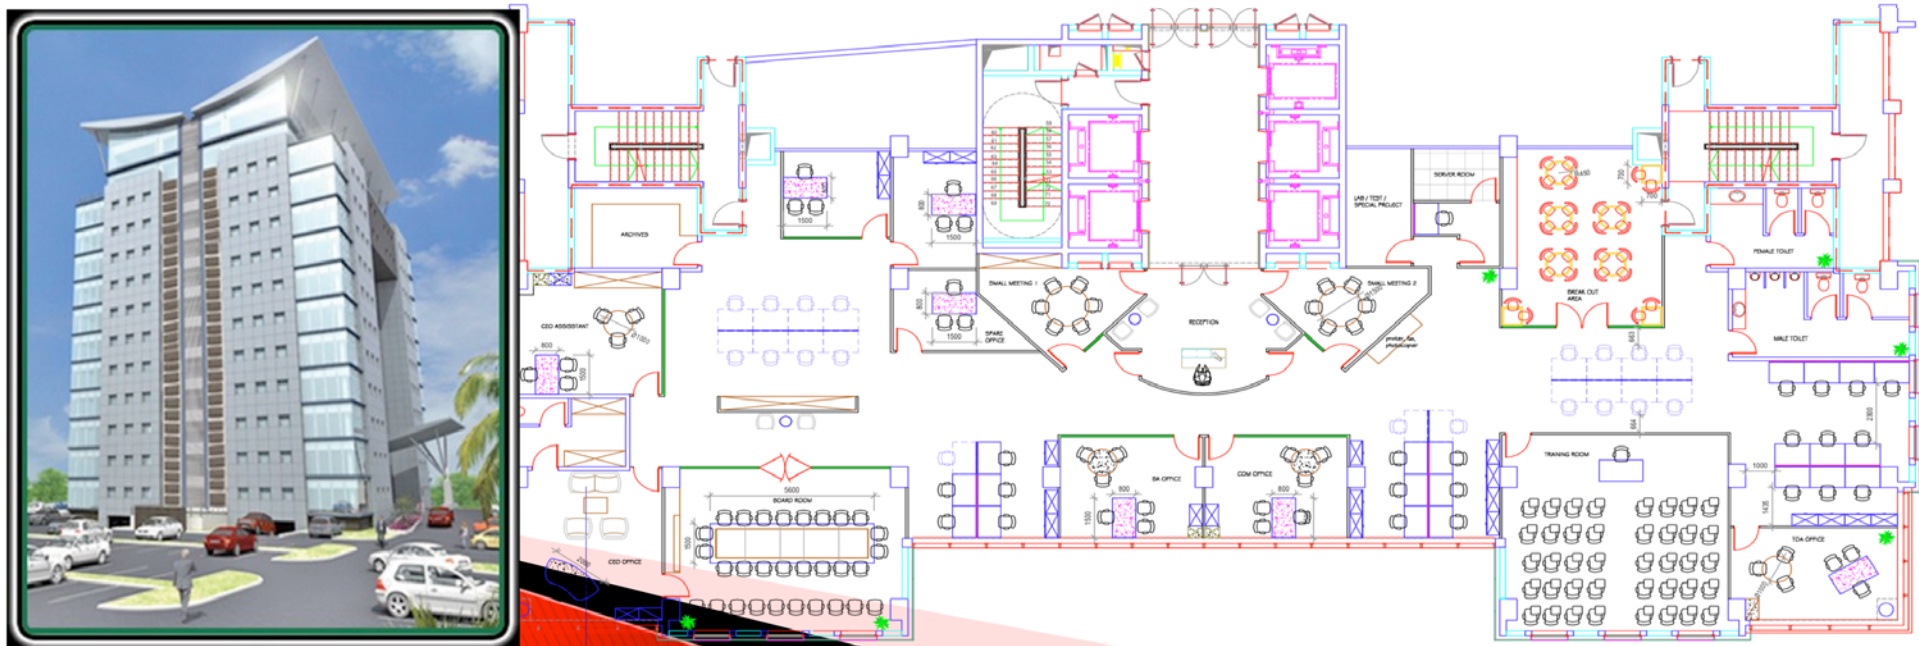

What are we busy on

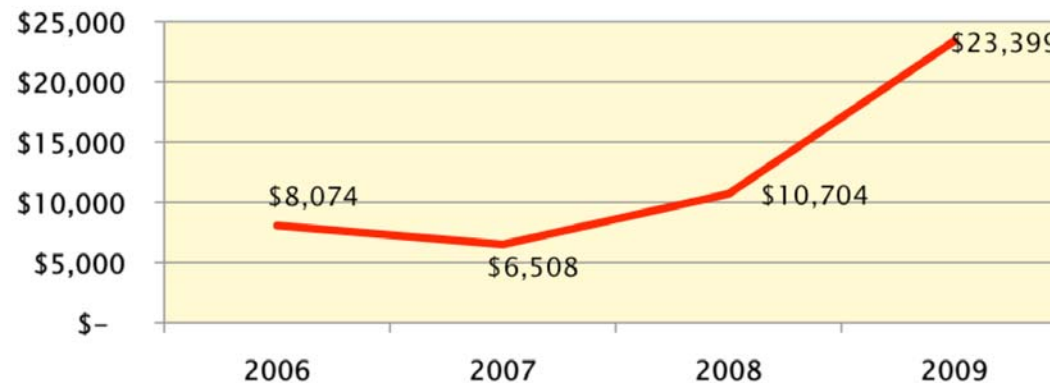

- ▶ WAIGF: AfriNIC is leading efforts to organise a regional IGF event in West Africa.
- ▶ Infrastructure redundancy Plan
- ▶ Review of online training tools (material, CBT, virtual Lab ... etc).
- ▶ Root Servers Anycast Copy Program:
 - First Node installed in Tanzania two weeks ago
 - Two requests in the pipe.
- ▶ AfriNIC Routing Registry
- ▶ Reviewing and exploring a full automation of new membership process.

Office Relocation Project

- ▶ One of our major side project this year is the relocation to new office.
 - Turned Key approach: Call for proposal for design and fit out (completed - 7765 sq.ft)
 - Plan to move by end of 2009

- ▶ Continue to support other sister Organizations
 - **AfTLD:** Continue Administrative and Financial support. Sponsors AfTLD annual meetings.
 - **AfNOG:** Continue to cooperate with AfNOG in several areas (MoU)

- **AAU/AfREN:** Planning LIR/IPv6 session for RENs focal points over the continent. Provide support to academic sector to get IP resources they need. A fund is being put in place to support Universities in becoming Afrinic member for Resources allocations

- ▶ Successful AfrinIC-10 meeting in Cairo back to back with AfNOG, AfREN and AAF.
 - We had 150 Participants
 - Election of new Board members
 - Mark Elkins (**New**),
 - *Silvio Almada (re-elected)*
 - John Walubengo (**New**),
 - *Lillian Karanja (new)*
 - 3 policies discussed
 - **Global Policy on IPv4 allocation from IANA**
 - IPv4 Soft Landing
 - Assignment to not-for profit Organisations
