

Update from the RIPE NCC

Business Year 2009

- Staff 116 (107 end 2008)
- Year Result 0.8 MEUR surplus
- Economic Crisis Impact?
- Members 6583 (6092 end 2008)

2007-01 Status

- Contractual Relationship with PI Assignment Holders
- Phase 1 Implementation:
 - From 3 March 2009:
New PI assignments require contractual relationship
- Phase 2 Implementation (Extended to 17 May)
 - State whether resources used for LIR's network infrastructure / used by one of the LIR's End Users / End User no longer the LIR's customer
- Phase 3 Implementation:
Chasing orphaned End Users

2007-01 Implementation Statistics

Total LIRs to participate in Phase 2: 4,903

Number of LIRs participated so far: 4,178 (85.2%)

Amount of resources to be marked in Phase 2: 26,940

Amount of resources marked so far: 22,958 (85.2%)

Status of Resources Marked

- 5,373 are marked "My Infrastructure" (23.4%)
- 6,025 are marked "Not My End User" (26.25%)
- 11,560 are marked "My End User" (50.35%)

42% of "My End User" Resources are missing docs

Science Group

- Main task is Research & Development
 - Envision and study future services
 - Analyse interesting or useful data, advise RIPE NCC and the RIPE community
- Articles about prototypes, analyses, and other interesting stuff on RIPE Labs
 - See <http://labs.ripe.net/>
- REX prototype (Resource Explainer)
 - (“all you ever wanted to know about number resources”)
 - See <http://rex.ripe.net/>

Info Services

- Evangelising...
- Looking for good engineers...
- Supplying material for Labs
- Behind the scenes improvements
 - DNSMON
 - Netsense
 - ...
- Feedback very welcome

RIPE Labs Developments

- Forum for presenting new ideas and tools
 - Experimental, no service guarantees
 - Contemporary tools for community discussion
- Presentation by Mirjam in “New Tech” session
- Recent Highlights:
 - IPv4 Allocation rates over time
 - 1/8 pollution research
 - DNS Transfer Size measurements
- <your contribution here...>

<http://labs.ripe.net>

External Relations and Communications

- Coordinating work for NRO
 - Phew!
- Usual “background work”
 - Annual Report
 - Meeting Support
 - Various websites
 - Event support as needed, suddenly...
 - ...

Outreach 2010

- Roundtable, Amsterdam, 22 Feb
- ITU IPv6 WG, Geneva, 15-16 Mar
- Law Enforcement, London, 17 Mar
- MENOG / Regional Mtg, Ryadh, 10-14 Apr
- WTDC, Hyderabad, 24 May – 4 Jun
- Regional Roundtable ME, tbd
- IGF, Vilnius, 14-17 Sep
- IPv6ActNow.org

RIPE 60 & 61

- 3-7 May 2010
- Prague

- 15-19 November 2010
- Rome
