

IPv6 Policy - Documentation

Adam Gosling

Wednesday 31 August 2011

Old Document Structure

IPv4
Policies

IPv6
Policies

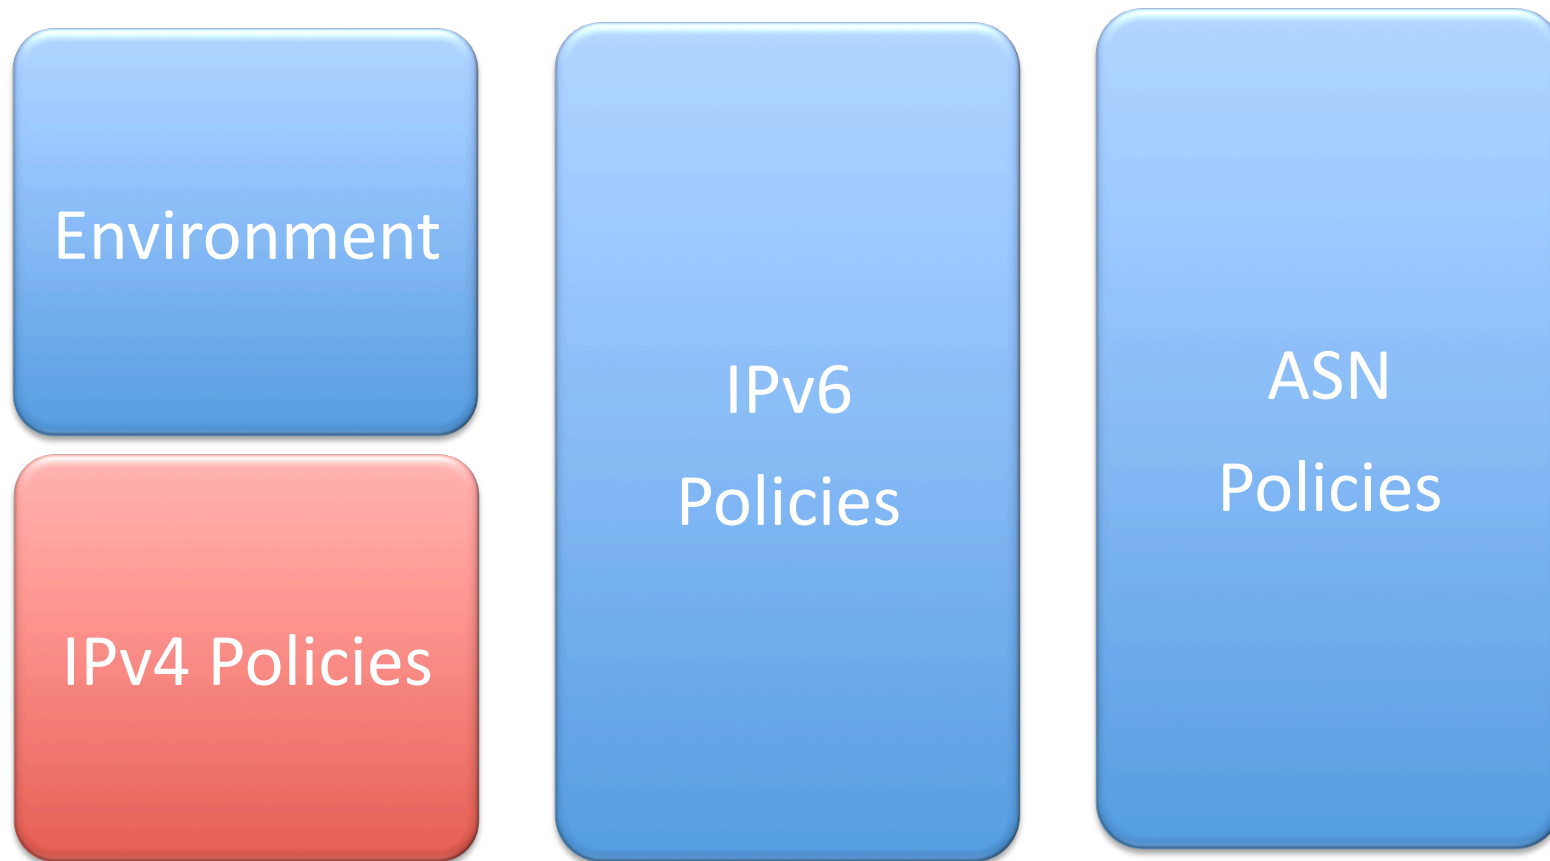

ASN
Policies

IPv4 Policy Split

- Policy environment for Internet number resource distribution in the Asia Pacific
 - apnic-125-v001 first published on 09/05/2011
- IPv4 Policy - apnic-086-v011
 - superseded by apnic-124-v001 on 09/05/2011

Current Document Structure

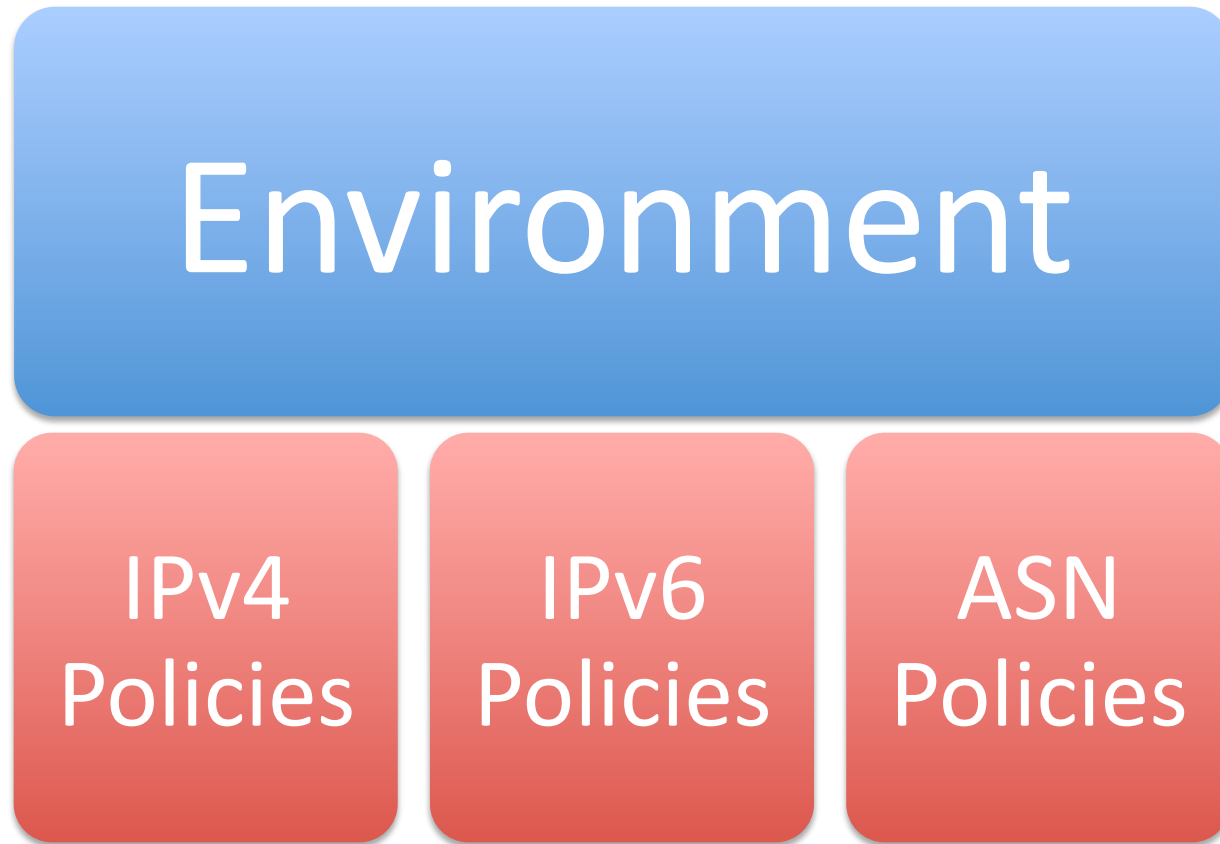

Environment Policy

- Hierarchy of IP address space distribution
- Definitions
- Goals of address space management
- Policy framework
- Address requests
- Address space licensed
- <http://www.apnic.net/policy/policy-environment>

Proposed Document Structure

History of APNIC-089

- First IPv6 policy at APNIC was called provisional-ipv6-policy-1999.txt
 - Never given a document number
- Current Policy
 - apnic-089-v001 first published 01/07/2002
 - Current version is v010 published 09/08/2011

Next Steps

- Split IPv6 Document
 - Environment apnic-125
 - IPv6 Policies
- Remove duplication from Environment
- Appendix B?

- ASN Policy split
