- Adiel A. Akplogan, AfriNIC
- Raul Echeberria, LACNIC
- Maemura Akinori, APNIC
- Geoff Huston, APNIC
- Axel Pawlik, RIPE NCC
- Ray Plzak, ARIN
- Oscar A. Robles-Garay, LACNIC
- Nigel Titley, RIPE NCC
- Paul Wilson, APNIC

# Proposal history at APNIC

- **23 January 2009**  
Version 1 submitted to mailing list
- **3 February 2009**  
Version 2 submitted to mailing list
- **26 February 2009**  
Consensus reached at APNIC 27
- **6 March 2009**  
Version 3 entered comment period
- **21 May 2009**  
Endorsed by APNIC EC

# Proposal history at other RIRs

## AfriNIC

- Introduced 5 March 2009 (AFPUB-2009-v4)
- Approved 11 November 2010

## LACNIC

- Introduced 2 February 2009 (LAC-2009-01)
- Adopted 13 October 2009

## RIPE NCC

- Introduced 19 February 2009 (RIPE 2009-01)
- Adopted 10 August 2010

# Proposal history at other RIRs

## ARIN

- Introduced 23 March 2009 (ARIN-2009-3)
- Adopted 13 January 2010
  - This version does not include mandatory return of address space to IANA

# ASO AC

- Status: *This global proposal is “abandoned;” it cannot advance in its current state because the same version was not adopted at all five RIRs.*
- [aso.icann.org/global-policy-proposals](http://aso.icann.org/global-policy-proposals)

# Proposal

- The membership of the APNIC Policy SIG recognizes that Prop-069 - Global policy proposal for the allocation of IPv4 blocks to Regional Internet Registries has been superseded by Prop-097 and that Prop-069 should be abandoned.

# Where to now?
