

APNIC Research Report

Geoff Huston
Chief Scientist

Meet our team

(With apologies to Elise and George!)

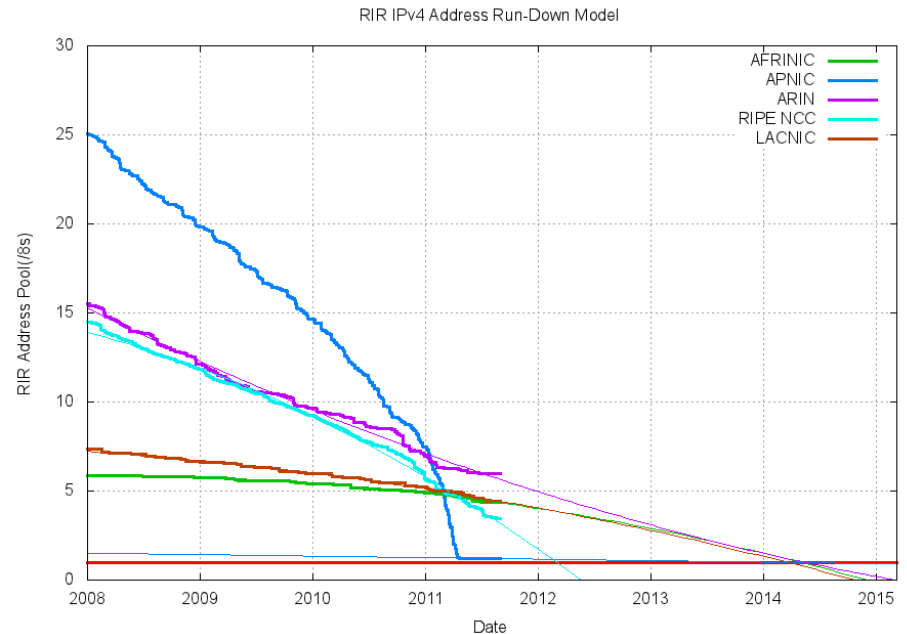

From the labs....

IPv4 Exhaustion

When? Why? How?

What does it mean?

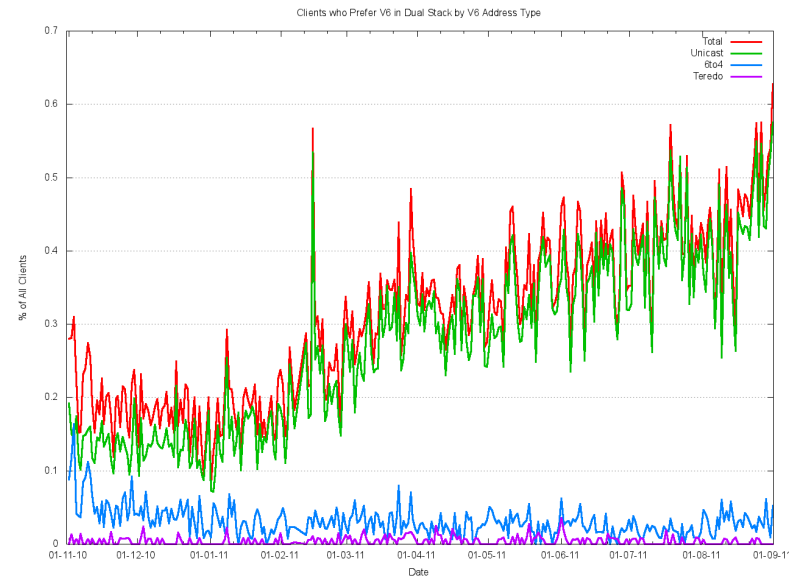

From the labs...

IPv6 Deployment Measurements

How well are we doing?

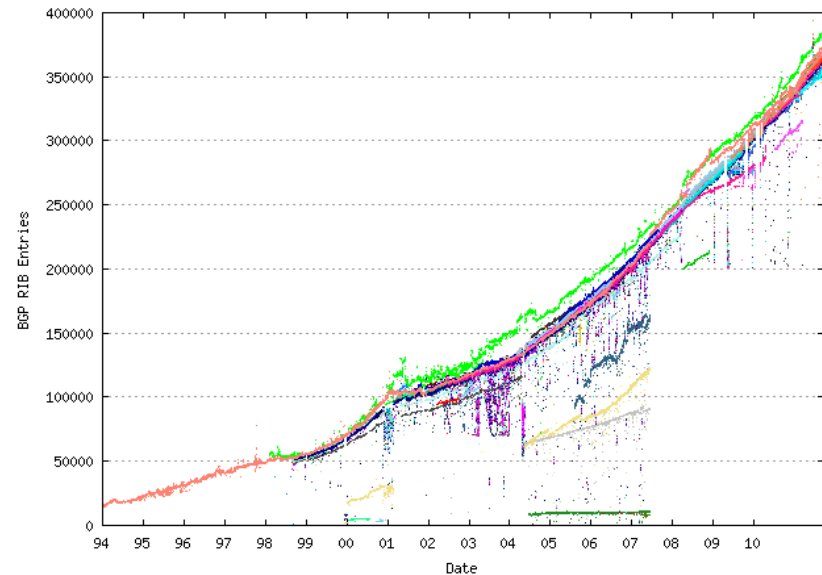

What is going on?

From the labs...

BGP Measurements

Is routing scaling? What is the underlying drivers for the growth in routing? Can we secure routing?

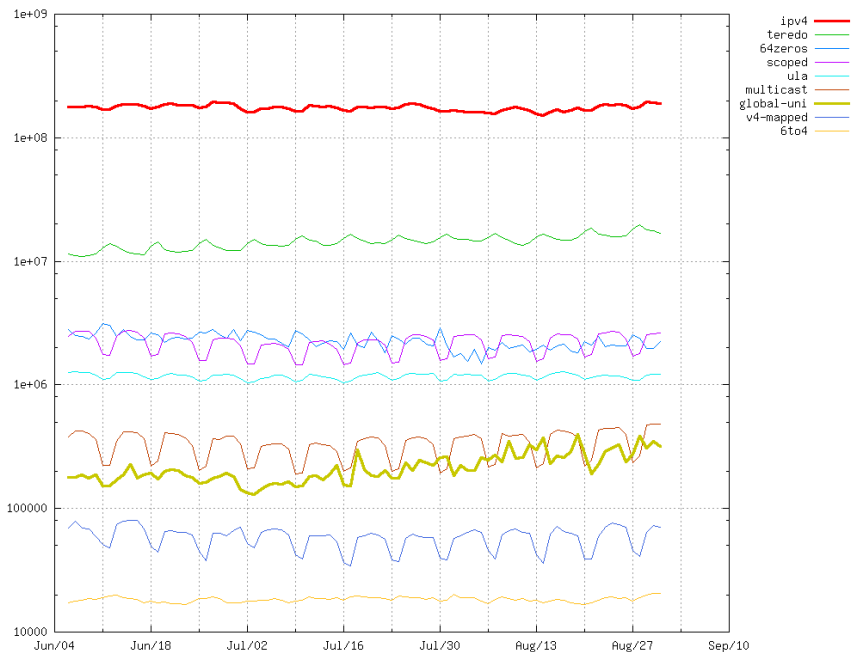

From the labs...

Reverse DNS measurements

Impact of DNSSEC. DNS Scaling.

What does it mean?

Where to find us

We are moving to...

labs.apnic.net
