

APIPv6TF Meeting

29/08/2012 in conjunction with
APNIC 34in Phnom Penh, Cambodia

Agenda

- Greetings from the Chair
- Secretariat update
- Efforts to increase IPv6 deployment (70min)
- Closing (5min)

Greeting from Chair

- Tony is on recovery
- Acting Chair Michael Biber
 - Participating remotely

Secretariat update

- Defining role of APIPv6TF mailing list and meetings
 - ap-ipv6tf Mail List = virtual space for continuous discussion
 - APIPv6TF Meeting = face to face discussion forum
 - Both are open to anyone to join from any part of the world
 - To enable open discussions
 - It's not a decision making forum

Secretariat update

- Defining a list of APIPv6TF member economies
 - One day we need to have a forum that can make decisions (e.g., Chair election, operational decisions)
 - 56 economies in the AP region
 - <http://www.ap-ipv6tf.org/member-economies>
- Next step
 - Defining a process of voting

Thank you!
