Background

- Policy document review requested by the Policy SIG Chairs and the APNIC EC (APNIC 48 & 49).
- [Policy Document Review Report](#) presented by APNIC Secretariat @APRICOT2021.
- Report mentions observations and 6 operational concerns.
- Working Group created based on community input.
- Objective of the WG:
 - Deliberated & validate the observations and concerns
 - Propose policy changes if required.

Activity of the WG-PDR

- Consists of 42 members.
- Most of the collaborations happened over email.
- Reviewed the observations and operational concerns.
- 7 policy proposals were submitted by WG members.
 - 2 proposals on same operational concern submitted by two proposers were sent back to the WG for further discussion.
 - 3 proposals forwarded for community discussion.

Learnings

- Find more innovative ways to connect with the community.
- Explain the issues and how it impacts the community.
- Encourage more community engagement and feedback.

Suggested way ahead

- We propose extending the mandate for the WG till the next APNIC 53.
- Deliberate on the balance operational concerns to come back with proposals
