Policy SIG Administration

Bertrand Cherrier, SIG Chair

Ching-Heng Ku & Shaila Sharmin, SIG Co-Chairs

#apnic54

Policy SIG Charter

The Policy SIG charter is to develop policies which relate to the management and use of Internet number resources within the Asia Pacific region. These include policies for resource allocation, recovery and transfer, and for resource registration within whois, reverse DNS, RPKI and related services.

PDP Working group

- Chair : Amrita Choudhury
- Co-Chair : Simon Baroi
- 34 participants from 14 economies
- 7 proposals have been implemented

The group has served its purpose, and will be closed.

Policy Proposals Webinar

- Held on Thursday, 25 August 2022 at 16:00 (UTC +10)
- 36 members of the community joined the webinar
- Authors shared (read out) proposals for community feedback and comments
- Strong interest from the community to continue with these webinars

Open Policy Meeting (OPM) Agenda

- SIG Election Procedures – Sunny Chendi
- Chair welcome remarks – Bertrand Cherrier
- SIG administration – Ching-Heng Ku
- Policy implementation report - Sunny Chendi
- prop-145: Single Source for Definitions – Anupam Agrawal
- prop-146: Aligning the Contrast – Anupam Agrawal
- prop-147: Historical Resources Management – Jordi Palet
- prop-148: Leasing of Resources is not Acceptable – Jordi Palet

Steps to implementation

- Proposal submission
- Mailing list discussion
- Consensus at Policy SIG
- Consensus at Member Meeting
- Comment period
- EC endorsement
- Editorial comment period
- Implementation

Consensus decision making

- Consensus =
 - “general agreement” taking into consideration comments on the mailing list and at the open policy meeting (OPM)
- Objections
 - Minor Objections:
 - Some problems may occur for some members of the group
 - Major Objections:
 - Major problems will occur for parts of the community
- Participants should “work together” to resolve objections
- Code of Conduct
 - <https://www.apnic.net/events/apnic-community-code-of-conduct/>

Gauging consensus

- Chairs will consider:
 - Mailing list discussion
 - Discussion at the OPM
- Zoom polls and CONFER
 - Polls are enabled after each proposal is presented and discussed
 - Polls will pop-up on your screen
 - Once the consensus is closed, poll results will be displayed to all
- **RIR, ICANN, and PTI Secretariat staff do not participate in the consensus**

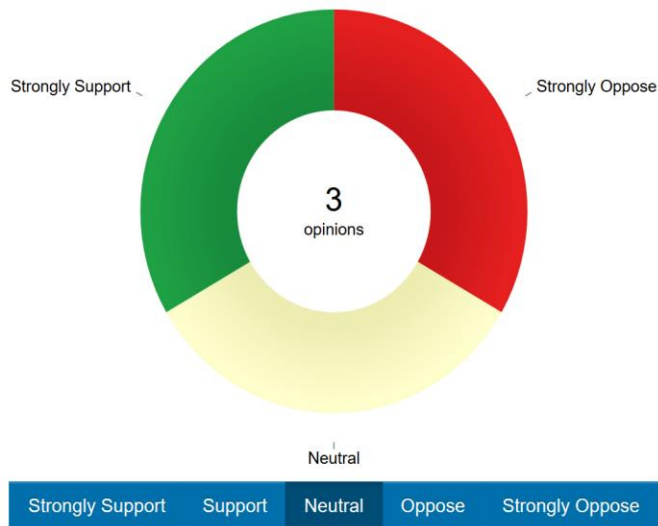

Gauging consensus - CONFER

- CONFER access

- All registered conference attendees can access without creating a separate confer account
- If you have already logged in to join the OPM, you can simply click on the CONFER link to access it to participate in the proposal consensus decision

- <https://confer.apnic.net/>

- RIR, ICANN, and PTI Secretariat staff do not participate in the consensus call
